MUHAMMAD ASHRAF

Frontend Developer | React & Next.js Developer

Cairo, Egypt | +20 100 163 2142 | muhammadashraf1632142@gmail.com

PROFESSIONAL SUMMARY

Frontend Developer with solid hands-on experience building and deploying responsive, API-driven applications using React.js, Next.js, JavaScript, TypeScript , BootStrap, and Tailwind CSS. Skilled in reusable UI architecture, REST API integration, authentication workflows, and state management through e-commerce and social media projects. Currently developing backend engineering skills through a .NET diploma, with a good foundation in C#, SQL, object-oriented programming, and backend concepts.

TECHNICAL SKILLS

Frontend: React.js, Next.js, JavaScript (ES6+),TypeScript, HTML5, CSS3,BootStrap, Tailwind CSS, Vite
Backend (developing): C#, .NET fundamentals, Object-Oriented Programming (OOP)
Database: SQL
Core Skills: Responsive UI, Reusable Components, REST API Integration, Authentication, State Management, Form Validation
Tools: Git, GitHub, VS Code, Vercel, Claude, ChatGPT

PROJECTS

Gather - Social Media App | React, JavaScript, CSS, REST API | Live Demo

- Built and redesigned a responsive social media frontend with reusable components for posts, comments, profiles, notifications, saved posts, and user interactions.
- Connected REST APIs to support dynamic posts and social features, including loading, error, and empty states.
- Created a consistent purple visual system and responsive animated interactions while organizing shared UI, API services, hooks, and motion components for maintainability.

FreshCart - E-Commerce Web Application | Next.js, React, Tailwind CSS, JavaScript, REST API | Live Demo

- Developed a responsive e-commerce frontend using Next.js and React with reusable components and maintainable page structure.
- Implemented REST API integrations for product browsing, user authentication, and cart operations, with dynamic client-side state.
- Developed reusable page components and structured forms, including user account and password-management workflows.

Personal Portfolio - Interactive Developer Website | React, Next.js, JavaScript, CSS | Live Demo

- Created and deployed a responsive personal portfolio showcasing projects, technical skills, and contact information.
- Designed interactive sections and animated UI elements with attention to accessibility, layout, and component reuse.

EDUCATION & PROFESSIONAL DEVELOPMENT

Bachelor of Computer Science - Future Academy **2026**
Cairo, Egypt
Route Full Stack Diploma - Frontend Track **Completed**
.NET Diploma **Expected Dec 2026**
Backend development track

TRAINING & CERTIFICATIONS

Cisco Networking Academy - Network Support and Security
| View Credential
Huawei - Network Communication Learning Course | View **Jul 2025**
Certificate
Certificate of Attendance | 06 Jul 2025 - 31 Jul 2025

SOFT SKILLS & LANGUAGES

Soft Skills: Problem Solving, Teamwork,Great Communication, Fast Learning, Attention to Details, Time Management
Languages:

- Arabic - Native
- English - Excellent
